Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by Federal Student Aid, and office of the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can use your Federal Student Aid PIN to view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site at www.nsls.ed.gov. For more information about your PIN, go to www.pin.ed.gov. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed above by visiting our studentaid.ed.gov Web site.

Note that the 'Subsidized' and 'Unsubsidized' amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for 'Unallocated Consolidation Loans' it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

Comments About Your Information

Based on the information we have on record for you, your EFC is 6437. You are not eligible for a Federal Pell Grant but you may be eligible for other aid. Your school will use your EFC to determine your financial aid eligibility for other federal grants, loans, and work study, and possible funding from your state and school.

WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

If you have now completed your 2008 tax return, correct this SAR to reflect the income and tax information reported on your tax return. Select the 'Make Corrections' button at the bottom of the page to make the corrections. If you have not yet completed your tax return, you must correct this SAR to reflect the income and tax information reported on your tax return once it is filed.

If you need to make corrections to your information, select the 'Make Corrections' button at the bottom of the page. You must use your Federal Student Aid PIN to access your record online. If you need additional help with your SAR, contact your school's financial aid office or the Federal Student Aid Information Center at 1-800-4-FED-AID (1-800-433-3243). If your mailing address or e-mail address changes, you can make the correction online or call 1-800-4-FED-AID and ask a customer service representative to make the change for you.

At this point, the school(s) listed on your application have access to your information. The school(s) may put together or change an aid package based on your Expected Family Contribution and notify you.

The amount of aid you receive from a school will depend on the cost of attendance at that school, your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional appropriations, and other factors. Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Note: Your school has the authority to request copies of certain financial documents to verify information you reported on your application.
